

University of Exeter – Liberal Arts

Please find below the core reading lists for Liberal Arts 2018/19.

Please note, **we are not recommending you purchase these books**, however these are a good indication of the books that you will be coming across in your first term. These lists have been compiled directly from our module reading lists for your first term – this is a good place to start if you are interested in getting on with some of the reading before starting with us in September.

Core module reading list for Year 1
